Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Friday 30 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy morning with some rain. Brighter afternoon with heavy showers.

Today:
Rather cloudy through the morning with outbreaks of rain. Becoming brighter for the afternoon with sunny spells but also some heavy, and perhaps thundery, showers developing. Mainly light northwesterly breeze. Maximum temperature 19 deg C (66 deg F).

Tonight:
Any showers dying out this evening with some late sunny spells. Cloud increases from the north overnight with outbreaks of mainly light rain spreading south. Minimum temperature 10 deg C (50 deg F).

Saturday:
Mostly cloudy start with patchy light rain. However brighter, drier conditions reach northern parts later in the morning and spread to all parts for the afternoon with sunny spells developing. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Sunny spells and a few showers Sunday and Monday, but many places dry. Sunny spells and showers too Tuesday, but more persistent rain later in west.
